

# HILTON ISTANBUL BOSPHORUS: AN ICON REBORN

An iconic landmark, a lasting legacy.

As Istanbul's first iconic five-star hotel, Hilton Istanbul Bosphorus has become much more than just a hotel since 1955. It has transformed into a meeting point that shapes the social and cultural life not only of the city but also of the entire country.

Hilton Istanbul Bosphorus, a significant symbol of Istanbul for 70 years, continues to host many distinguished guests, including Hollywood stars, world-renowned artists, business people, and heads of state, as well as millions of other guests, in high standards and home-like comfort since its opening.
